

LD60

New 600 bar double lance in Sst

Designed for
specific use
with the RL600

Part No	Tube Type	Length		Rated Pressure		Permissible Pressure		Rated Flow Rate		Rated Temperature	
		mm	in	bar	psi	bar	psi	Lpm	USGpm	°C	°F
41.0000.00	1/4 Aisi 303 Sst	420	16,5	600	8,700	660	9,500	40	10.5	43	109

Technical features

- Double Lance for extreme high pressure
- Body and tube in Aisi 303 Sst
- The passage from high to low pressure, and viceversa, is made through a simple rotation of the handgrip
- Inlet AR9 'A' - M24
- **Possibility to combine with RL600, Lance extension and quick coupling (Part number 30.5830.00)**
