

New range for specific use
in the food Industry

Foam Distributor

With Integrated Quick Coupling ARS 178

Inlet	ARS 178 "A"
Outlet	G 1/2 F 1/2 Bsp F
Couplings	Stainless steel A1303
Tube type	Stainless steel
Nozzle type	50°-200
Nozzle material	Brass

Part No	40.0280.00 (black)	40.0290.00 (black)
	40.0280.60 (blue)	40.0290.60 (blue)
Length	200 mm / 8 in	25 mm / 1 in
Weight	320 gr / 11.00 oz	143 gr / 5.04 oz

- Lance designed with large internal passages to prevent foam from collapsing
- This accessory was not designed to rise the foam but to allow the passing. The foam should then be prepared downstream of the lance
- Lance complete of nozzle holder and protection
